## HAPPENINGS OF INTEREST FROM DIFFERENT SECTIONS

There are two severe cases of diphtheria in the home of Desire Dubuque in North Hero.

Money earned last year by school entertainments in Townshend has been invested in a victrola to be used in the schools.

A way freight going west from Morrisville Thursday jumped the track, throwing off six loaded cars. The damage was considerable.

Two barns in Richmond, one owned by John Morton and the other by J. C. Hodges, were burned Thursday, the cause of the fire being unknown.

Mrs. Georgianna Price, who escaped Wednesday night from the state hospital at Waterbury, was located in Bedford, P. Q., Friday and taken back to that institution.

W. L. Hutton, a Rutland merchant, was injured in a runaway accident Thursday, when he jumped from the wagon and sustained a broken collar bone.

Fred E. D. Farmer, for 20 years connected with the drug business in Rutland, died Saturday of tubercular trouble. He was prominent in the Masonic fraternity.

Antoine Therrien, who met with a serious accident two months ago, when he was thrown from a horse, died from the effects Wednesday at his home in Highgate Center.

Mrs. Helen Podbielski of Danby has been awarded damages of one cent without costs in a suit for alleged slander brought by her against Anna Meniatowski, also of Danby.

An investigation of the belongings of the S. P. Jocelyn family at Burlington, whose house was burglarized Thursday night, showed that at least 185 pieces of solid silver were taken, valued at more than \$1,000.

Large blocks of marble are being taken from the quarry of the Meadowbrook Marble company in Brandon, which seems to be of fine quality. The quarry was only recently opened. Modern machinery will be installed and the work continued.

Ex-Representative Samuel B. Chadwick of Franklin, N. H., a lumberman and real estate man, dropped dead in a drugstore in his home town Saturday of a shock. He was born in Irasburg, Nov. 8, 1846, but had lived in Franklin 31 years.

Frank Stearns, a mail carrier from Weybridge to Middlebury, last Friday afternoon had many automobile difficulties while trying to make his trip. He had two blowouts, one puncture, his gasoline tank sprung a leak and he lost his chains.

James Eastman is in the Rutland hospital suffering from injuries he received in that city Friday when the wagon in which he was riding was run into by an automobile. He has concussion of the brain and severe bruises.

B. Tierney, who drives an auto stage from Middlebury to Bread Loaf inn, had an accident Friday when the steering gear went wrong and took the car over a bank and into a tree. The car was not badly damaged and Mr. Tierney was only scratched.

Mrs. Susan Cushman observed her 90th birthday anniversary Sunday at her home in Middlebury. She retains all her mental and physical abilities to a remarkable degree, reads without glasses and is much spryer than many people 40 years her junior.

Mr. and Mrs. Porter Butts celebrated the 50th anniversary of their marriage at their home in North Hyde Park recently 300 persons being present. Among the gifts was a five o'clock tea service, including golden-lidded cups and spoons from the Gibson Valley grange. Mr. Butts has been postmaster for about 15 years.

D. W. Flagg runs a moving picture business in Brandon. Thursday evening left his horse hitched outside the building while the show was in progress. When he went for it, the outfit had disappeared, but was found the next morning near Kimberly, with the wagon badly smashed. Someone had evidently taken a joy ride until disaster overtook them.

Dr. and Mrs. W. G. Hodson of Rutland were well acquainted with Mr. and Mrs. Fred L. Small, whose names have been prominent in the papers for a week, or since the finding of Mrs. Small's body in the burned house at Ossipee, N. H. Dr. and Mrs. Hodson occupied a cottage next to the Smalls at Ossipee last summer. They report that Mrs. Small's fear of her husband was great.

Miss Hannah Halonen, buttermaker at the Farmers' creamery in Wardsboro, is the only woman buttermaker in a creamery in New England and perhaps in the United States. She makes over 40,000 pounds of butter a year. Miss Halonen has a diploma from one of the government creamery schools in Finland and came to America 18 years ago, having been in Wardsboro 16 years.

Miss Mary Hatch of Burlington was seriously injured there Sunday noon as she alighted from an electric car, probably without waiting for the car to stop. She was thrown to the ground on her back and at the Mary Fletcher hospital it was found that her skull was fractured, that her left elbow was injured and that she was badly shaken up. Her condition is considered serious.

Mr. and Mrs. W. E. Hayes of Burlington were the victims of a runaway accident Sunday, when their horse became frightened at an approaching train and bolted, striking against the masonry work of an underpass on the road to Shelburne farms, completely destroying the carriage and throwing out both Mr. and Mrs. Hayes. The former was considerably cut about the chin and face, but Mrs. Hayes was only shaken up.

That the second child ill in the La Siotte family at Grand Isle, where one child has already died, has a positive case of poliomyelitis has been determined by examinations of physicians from the state board of health. The

"GETS-IT" Loosens Your Corns Right Off; It's the Modern Corn Wonder—Never Fails

"It's hard to believe anything could act like that in getting a corn off. Why, I just lifted that corn right off with my finger nail. 'GETS-IT' is certainly wonderful." Yes, "GETS-IT" is the most wonderful corn cure ever known.

"It's Just Wonderful the Way 'GETS-IT' Makes All Corns Go Right Off"

because you don't have to feel and putter around with your corns, harness them up with bandages or try to dig them out. "GETS-IT" is a liquid. You put on a few drops in a few seconds. It dries. It's painless. Put your stocking on right over it. Put on your regular shoes. You won't limp or have a corn "twist" in your face. The corn, callous, or wart will loosen from your toe—off it comes. Clary hallelujah! "GETS-IT" is the biggest selling corn remedy in the world. When you try it, you know why.

"GETS-IT" is sold and recommended by druggists everywhere, 25c a bottle, or sent on approval of price by E. Lawrence & Co., Chicago, Ill.

## Auction Sale

— OF — Real Estate and Personal Property

On account of the poor health of my son, we will sell at public auction to the highest bidder, on

SATURDAY, OCT. 7, 1916

at 1 o'clock sharp in the afternoon, on the farm now occupied by Mr. Charles Perrin, formerly known as the Ambrose Patchell farm, situated about 3 miles from Barre City, 3 miles from Plainfield, and 2 1/2 miles from East Montpelier, the following described real estate:

THE SAID FARM

NOW OCCUPIED BY CHARLES PERRIN, which consists of about 125 acres of land, divided into tillage, pasture and woodland; several acres of growing softwood timber and other wood and timber; 75 bearing fruit trees aside from a young orchard recently started; a plenty of plums, cherries and other small fruit; fields lay smooth and nice, all machine moved and are in a high state of cultivation; strong soil; great potato land; fields are easy to work and carry on; you can plow a furrow here 143 rods long on a straight stretch—just right for traction plowing; land well adapted and would make a fine fruit farm aside from dairying and general farming. This farm has wintered 50 head of cattle, has well-watered pastures and fine spring water at buildings; large story and a half 11-room, very convenient house, with porches front and back, granite steps and good basement; large 85-ft. barn with 45 stanchions, basement under all; silo and large horse barn adjoining; carriage house, creamery, workshop, chicken house, corn barn and every kind of building needed on a farm of this kind. Buildings all in good shape, and buildings alone are insured for \$4,500. Only 3 miles to Barre City, one of the best markets in New England; good air, fine view, a pleasant home and a big money-making proposition, and is said to be one of the best farms in Washington county.

LIVE STOCK CONSISTING OF 25 Extra Good High Grade Cows, Mostly Holstein

— some of them now fresh, balance to freshen this fall and winter; all young and good size, with 2 or 3 exceptions; a nice lot, slick and right in every way. Most of this stock has been raised on the farm. Also 1 large Holstein Bull—a big fellow; 12-year-old Bull, 1 Yearling Bull. These bulls are fat—good beef; 1 yoke of fancy 7-year-old Holstein oxen, broke to drive with or wearing robes; 12-year-old heifer, 5 yearling heifers, 4 veal calves, and a lot of turkeys, fowls and chickens.

CROPS—About 75 tons of nice, early-cut hay, most all timothy, a good lot to press for market; 10 tons of straw, 5 1/3 acres of silage corn, cut and shocked in the field, 150 bushels of oats. The farm tools and team will not be sold, as some of them will go with the farm and the balance will be held for Mr. Charles Perrin for a smaller farm, if his health gets so he can handle one. Everything will be accurately described and sold to the highest bidder as advertised. Terms at time of sale. Lunch will be served at noon for those coming from a distance.
